Joylynn M. Ross, writing as **BLESSEdselling Author E. N. Joy**, has over 20 years of experience in the literary industry.

Coined "Literary-Know-It-All" because she wants authors to know it all when it comes to their literary career.

As a self-published author, traditionally published author, POD author, hybrid author, ghostwriter, editor (both freelance and with publishing houses), and literary agent (clients with book deals with Simon and Schuster, Kensington, Urban Books), Joylynn has been on just about every corner of the literary map.

Who better to chauffeur you toward your own literary success?
