"Joylynn's tagline is a representation of how she puts forth the energy and focus on ensuring the client is proud of their quality product. She assisted me to self-publish my first book. She helped me step-by-step. My self-publishing book journey began on September 5, 2016, and I held my book signing on December 16, 2016. We were able to accomplish all of this virtually within three months. I know her work, and she is fantastic! She goes above and beyond! I look forward to working with her again!"
